I understand that anytime my vehicle is parked overnight on the Beth Sholom parking lot I must **prominently display** the permit (provided) on the dashboard of the car that is identified on the permit (a separate permit must be secured for each car) so that the information can be readily seen. I also understand that if a vehicle is parked over night in the Beth Sholom parking lot **without** a permit **it may be towed at my expense**.

In addition, I will park my vehicle on the far side of the parking lot away from the building.

I will **promptly** notify the administrative office if my permit is lost or destroyed. I know that losing this permit will contribute to a breach of security and I will make every effort to keep it safe.

I know that in extraordinary times that additional security measures must be taken and I happily agree with them.
